

THE BEST VIEW AT THE BEST PRICE

Located at the top of Cerro da Piedade, in one of the most privileged locations in Albufeira, the Hotel Mar à Vista, offers you the most breathtaking view over the city and the vast range of beaches that exist along the coast.

If you are looking for a unique feeling of tranquility by the sea, this is the best option, not only for being in a place away from the hustle but also for being just a few steps away from the fine sand, characteristic of our beaches.

At the hotel you can enjoy your tasty breakfast, enjoy a refreshing drink at the bar or even stroll through the historic streets of Albufeira where you will find several restaurants and cafés.

Its central location makes Mar à Vista the perfect choice for those looking to discover the regional cuisine and/or experience the dynamism of the city.

Currently, Albufeira and its municipality are one of the main tourist centers in the country, offering around 30km of coastline and two dozen very diverse beaches, both in terms of natural surroundings and in terms of supply tourist. As a great international center, Albufeira excels in a rich and diversified cuisine.
